

AMONG THE EXCHANGES OF THE INLAND EMPIRE

Cartridge Exterminator.

The National Extermination Cartridge Company, Ltd., of Moscow, filed articles of incorporation today. The capital stock is composed of 250 shares of the par value of \$100 each and are fully paid up.

Stockholders are M. J. Shields, L. G. Witbeck, O. S. Erickson, Charles W. Shields and V. L. Wilson, all of Moscow, except O. S. Erickson of Spokane. This enterprise is the outgrowth of an industry which flourished in Moscow during 1894. M. J. Shields company at that time manufactured at this place the Erickson fumigating cartridge, employed about 20 people and did a good business. The primary purpose of the cartridge was the extermination of squirrels and gophers. The hard times of 1893 and 1894 put the company out of business.—Spokesman-Review.

Bogus Check Man.

Mr. Ramsey, a young man who has been in the city for the past month, presumed to be looking for a location passed several sight drafts on a brother, who is presumed to reside in Danville, Ill., Saturday evening, in all amounting to about \$75. Sunday evening the parties who cashed the drafts became suspicious of his actions as they were informed that he had his things all packed and was expected to leave. They placed him under arrest charged with obtaining money under misrepresentation. The bank and brother have both been wired at Danville, but up to the time of going to press no answer had been received from either.—La Grande Observer.

Drunk and Dead.

A farm laborer of the name of Rumbach, was found lying in the road nine miles west of Winona this evening. The body was taken to the sheep ranch of Henry Trobe, who telephoned Sheriff Canutt. It is thought Rumbach was drunk and fell off of a wagon loaded with lumber and a wheel passed over his body.

Nothing concerning the dead man could be learned by telephone tonight beyond the fact that he was a farm laborer, but the name of his employer was not learned. Coroner Crawford was notified and left for Winona to investigate. There is no suspicion of foul play.—Colfax Commoner.

Idaho Women Lawyers.

In the supreme court this morning Mrs. Bertha Stull Green of Mountain home, was admitted to practice on a certificate from the supreme court of Nebraska, and Allen R. Hicks was admitted on certificate from Illinois, says the Boise Capital News.

Mrs. Green formerly resided at Lincoln, Neb., where she practiced

NEW TELEPHONE SYSTEM.

Spokane to Have a \$300,000 Independent Phone Company.

Charles E. Summers, who is putting in the new automatic telephone service in San Diego and Los Angeles, Cal., and represents the Empire Construction Company of Toledo, O., has returned to Spokane and has prepared his application for a telephone franchise for a new system, says the Spokane Press.

As exclusively stated in the Press, November 21, Mr. Summers has been floating a company to operate the new system in Spokane. The application for the franchise will be filed with the city clerk next Monday.

In the franchise the new company offers a rate of \$4 and \$2 a month to subscribers and agrees to put in an automatic system, doing away with the central station operators.

The downtown wires are all to be placed underground and through the residence portion of the city the poles are to be placed in the alleys and the city is given the exclusive use of the top crossarms for fire alarm and police patrol wires. In addition the city is given 25 telephones, rent free, and the sum of \$30,000, of which \$1000 is to be paid after the first five years and \$1000 yearly until the full payment is made.

The new company agrees to spend \$300,000 in the city within three years and furnishes a \$10,000 bond. The franchise is made nonassignable and can not be used for speculative purposes.

A Great Difference.

She—I understand that you speak German.

He—Yes, college German, but not the kind they speak in Germany.

law successfully. She is a woman of fine appearance and has a clear, logical mind, that shows evidence of good training. Mrs. Green is the second woman lawyer admitted to practice in this state. The first was Mrs. Helen L. Young, who was admitted at Lewiston, October 26, 1895. It is understood that Mrs. Young did not follow her chosen occupation, however, very long.

Leg Horribly Broken.

While he was driving cattle last evening, the horse ridden by Cromwell Maxey slipped and fell on the rider's leg, breaking it in three places below the knee. In one place the bone was literally ground to a pulp.

The accident happened three miles out in the country, but fortunately another man was with Maxey, who quickly had him brought to town and placed in care of a surgeon.

His injury is very bad, but it is barely possible amputation may be averted. Maxey belongs to one of the oldest families here and is well known.—Ellensburg Capital.

New Y. M. C. A. Building.

Charles Sweeney has given \$4000 to the building fund of the Y. M. C. A. It is the largest individual gift made to the association, and with it the donations reach about \$62,000.

The committee which is working for the building of the structure hopes to bring the total up to \$75,000.

J. P. M. Richards of the committee said yesterday: "Mr. Sweeney's gift is the largest we have received." The next largest is the one of \$3000 made by A. B. Campbell.—Spokesman-Review.

E. W. Quarrels Dead.

E. W. Quarrels, who for 18 years has been employed by the O. R. & N. and for a year was station agent at Hood River, resigning a year ago on account of ill health, died at his home at Pullman Friday night of Bright's disease. He has been in the hardware business at that place since he left Hood River.—The Dalles Chronicle.

Found Artesian Water.

We learn from a reliable source that a fine flow of artesian water was struck in the Wild Horse valley, this county recently at a depth of only 26 feet. There are a number of flowing wells in that section but all are deeper than the one mentioned above.—Hartney County Times-Herald.

Marketing La Grande Brick.

Mr. George Kreiger, the brick manufacturer of this city, today shipped four carloads of brick to Pleasant valley to be used by the O. R. & N. Railroad company in their improvements at that place.—La Grande Observer.
